

Caring

Insurance coverage for Nurses and Healthcare workers

At Johnson, we've provided thousands of nurses Home and Auto Insurance coverage. And with your own dedicated account representative, we can get to know you too, as well as your specific insurance needs. We like to make sure our nurses are well cared for, so above and beyond extensive coverage, here are just a few other ways we'll take care of you:

- Convenient payment options
- AIR MILES® reward miles
- 24/7 live customer support
- Easy claims handling

Call us any time to find out if you are eligible for our preferred benefits:
